

United States Department of State

Washington, D.C. 20520

OCT 19 2011

Dear Mr. Speaker:

Pursuant to Section 36(c) and Section 36 (d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the transfer of defense articles, to include technical data, and defense services to support the Configuration 3 Upgrade and Refurbishment of the Patriot Missile Air Defense Systems and Radar for end-use by the Royal Saudi Air Defense Force (RSADF).

The United States government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in dark ink, appearing to read "D. S. Adams", with a long horizontal flourish extending to the right.

David S. Adams
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 11-086
